

## CONSIDERATION OF FARM CREDITS WAS RESUMED THURSDAY

### Friends of Measure Hopeful for Vote Early Next Week

(By The Associated Press)  
WASHINGTON, Jan. 25.—Consideration of farm credits legislation was resumed by the senate today the second and last measure on the farmer credits extension program, the Lenroot-Anderson bill coming up for debate with its friends hopeful of a vote early next week. Senator Lenroot, Republican, Wisconsin, co-author of the credit bill and member of the joint congressional agricultural commission opened the discussion of support for the bill given by farm organizations and explaining its provisions which would extend the federal reserve law to rural districts to joint the federal system. Recommendations to congress would be made by a report by the commission not later than January 31, 1924.

The resolution recited that 9-40 banks and trust companies, comprising eighty-five percent of those eligible had not joined the reserve system. Senator Lenroot declared in his discussion of the Lenroot-Anderson bill that it was an intermediate measure between those providing for the federal reserve and rural land bank systems, and was "sandy needed" by the farmers.

It would provide a declared maximum fund of \$1,320,000, farm credits—\$120,000,000 of rural districts by the government and ten times that sum in bonds—but its credit possibilities emphasized were not to be measured by the mere monetary totals.

Senators Brookhart, Republican, Iowa, and Norbeck, Republican, South Dakota made brief criticisms of the scope of the bill regarding for more direct credit relations between farmers and the government but Senator Lenroot said that direct government loans were impracticable and hazardous to the overhead expense involved, he said, being prohibitive.

## WILL HOLD CLINIC TO SEE IF MAN IS DEAD

PHOENIX, Ariz., Jan. 25.—Following a conference with the family of George W. Stevenson, orator Fred C. Bolen today ordered the county physician to assemble a clinic of Phoenix physicians to make an examination of Stevenson's body which members of his family claim is in a state of suspended animation, but which the physicians have pronounced dead.

## Causes of Open War Exist In Ruhr Valley

(By The Associated Press)  
All the elements usually cited as contributory causes of open war exist in the Ruhr valley. The German population was wrought up by the presence of the French and Belgians, their hatred accentuated by the arrest and conviction of the industrial leaders have carried out demonstrations of a violent nature at various centers of the Ruhr and the occupying forces have placed their machine guns, 75s and weapons of larger caliber at strategic points, for the purpose, if necessary, of overcoming resistance that appears to be no longer passive, but extremely active.

## FURTHER FACTS ON REPARATIONS ARE GIVEN BY HUGHES

### Information Has Not Quelled Coming Senate Storm

(By The Associated Press)  
WASHINGTON, Jan. 25.—Further information regarding the administration policy towards the reparations problem was laid before the foreign relations committee of the senate today by Secretary Hughes in the form of letters and documents, but there was no indication that as a result the gathering senate storm on European questions had been quieted.

In his letters, Secretary Hughes reiterated that the American government did not intend to participate in the reparations discussions. Discussing the unofficial representation with the reparations commission thru Roland W. Boyden as an observer, Mr. Hughes declared with reference to questions arising from time to time in which this government and its citizens have an immediate interest that the purposes have been served by the contact with the commission which we have been able to maintain thru the present arrangements.

Shortly after the foreign relations committee had received the communication, Senator Borah, Republican, Idaho, who recently proposed that the United States call an international economic conference announced that he planned to renew the suggestion soon by the introduction of a resolution requesting the president to call such a conference.

The foreign relations committee made public the letters received from Secretary Hughes but held as confidential the memoranda accompanying them. It considered them at a brief session and will meet again tomorrow to take them up in connection with the pending resolution of Senator Robinson, Democrat, Arkansas, proposing that the United States send official representatives to the reparations commission.

Secretary Hughes made clear to the committee that it "has not been the policy of this administration to participate in the fixing of the amounts to be paid by Germany upon reparations claims." "And particularly," he said, "with respect to the discussions that have been going on during the past few months before the reparations commission in relation to amounts and terms of German reparation payments the department has cautioned its observer not to take any position that would involve this government in these discussions."

## TAKE STEPS TO NEGOTIATE SCALE

NEW YORK, Jan. 25.—Coal mine owners in the western Pennsylvania and southwest fields already have taken steps to negotiate two new agreements with the miners on the basis reached here in this week's conference between Union officials and operators of the middle-west, John L. Lewis, president of the United Mine Workers of America announced tonight.

The Western Pennsylvania operators, he said will begin a conference with union officers at Pittsburgh next Tuesday. He added that operators in the soft coal fields of Missouri, Kansas, Oklahoma, Arkansas and Texas would meet with union leaders within a week.

## INDIANA PIONEER DIES AT 94 YEARS

CONNEAUTVILLE, Ind., Jan. 25.—Judge Elmer Wallace Kimball, 94, a resident of this city and a former member of the supreme court of Kansas died here today of pneumonia. It was said that Benjamin Harrison studied law in Judge Kimball's office.

## PLANS BEING MADE TO STOP SUPPLY OF EMBASSY LIQUORS

### Hope to be Able to Stop Leaks to Wash- ington Bootleggers

(By The Associated Press)  
WASHINGTON, Jan. 25.—Prohibition officials today revealed plans they are considering with the hope of "plugging the leaks" releasing foreign liquors to Washington bootleggers, who, according to evidence they say they possess, have been getting supplies from persons attached to embassies and legations.

James E. Jones, acting prohibition commissioner indicated that should he ascertain that any minor employee of an embassy or legation was involved in the illicit liquor traffic he would take up the matter with the diplomat in charge with a view to bringing about dismissal from the foreign government's service of the offender and possibly his subsequent prosecution under the prohibition laws.

Another plan to check further the bootlegger's alleged sources of "embassy liquor" it was intimated involves the possibility that the chiefs of the various diplomatic missions might be asked to cooperate voluntarily with the prohibition forces furnishing them with written estimates of the approximated liquor requirements of their establishments for given periods.

Any evidence prohibition officials might find involving higher officials of the embassies and legations in the traffic, Mr. Jones said would be dealt with thru the state department with a recommendation that the home government of the offender be notified and his recall requested. The acting commissioner expressed the opinion however, that cooperation from the diplomatic chiefs in handling offenses by minor employees and servants would show immediate results in shutting off bootleggers supplies.

Unusual Shipment of Liquor  
The prohibition bureau today thru the treasury department also called the attention of the state department to at least one "unusual shipment of liquor" to an unnamed embassy or legation and asked the latter department to guard against granting immunity to shipments which seemed unnecessary.

Mr. Jones admitted that some evidence had been obtained of liquor traffic thru embassies and legations and he said the local prohibition force had been instructed to give special attention to such cases. Tied in possession of an affidavit by an alleged bootlegger alleging he had received supplies from a servant employed by a certain legation, prohibition officials today withheld action on the matter with the legation officials pending an analysis of the liquor seized from the bootleggers in an attempt to determine whether it was of foreign origin.

Prohibition officials expressed the opinion that most of the embassy and legation liquor obtained by bootleggers was sold to them by servants and minor employees without the knowledge of their superiors.

Dr. Arthur Padroy Almeida, charge of the Cuban legation, who yesterday visited the state department relative to publication of a statement in newspapers here that a Cuban legation employee had been named as dealing in liquor with a bootlegger, asked for information on the case from the prohibition bureau. He said his investigation thus far had revealed no improper dealings in liquor by an person connected with the legation.

## COMMITTS SUICIDE ON MOTHER'S GRAVE

CHICAGO, Jan. 25.—The body of Herbert Lockhart, 39, was found lying beside his mother's grave in a cemetery at Barrington, Ill., near here today with a bullet wound in the right temple. Nearby was a revolver. The body was frozen and the authorities said they believed he had been dead several days. A note indicated he had taken his own life as a result of trouble with his wife.

## Open Hearing Ends In Mer Rouge Case

(By The Associated Press)  
BASTROP, La., Jan. 25.—The open hearing here conducted by the state of Louisiana into the operations of masked men in the parish, which Attorney General A. V. Coco has characterized as the "Morehouse atrocities" ended today after having been in session continuously since Jan. 5. Scores of witnesses testified concerning floggings, deportations, circulation of warnings by a "vigilante committee," kidnappings and the spiriting away of Watt Daniel and T. P. Richard on August 24, of whom no trace was found until their bodies floated to the surface from the depths of Lake LaFourche on December 22.

Until today no witness had testified who had knowledge of the movements of the kidnappers after they were seen at Colliston, eight miles east of here the night of August 24, when the hooded captors released three other men taken with Daniel and Richard and obtained gasoline for their cars. Leonard Jones of Mosselle, Miss., the only witness at the concluding session, testified that his car was disabled on the highway about three quarters of a mile from Lake LaFourche "some time in August" and that during the night one small touring car and a small truck containing masked men and two others who appeared to be prisoners, passed him bound toward the lake. Some time later the cars returned from the lake and he said there seemed to be no prisoners. It has been established that Daniel and Richard were placed in a small truck at the scene of the kidnapping and that they were in the truck when the cavalcade stopped at Colliston. Jones, however, could not say whether it was the night of August 24th, that he observed the truck and touring car near the lake.

The hearing adjourned this forenoon. A few minutes earlier, Attorney General Coco made a statement to the court declaring that sufficient evidence had been developed to show the Ku Klux Klan was responsible for lawlessness in the Parish.

Judge William Barnett, counsel for the only men who, expecting they will be defendants, have retained legal aid, attacked in a lengthy formal statement the legality of the open hearing and the character of testimony adduced. Court Takes Exception  
Judge Fred M. Odom, who presided at the hearing, immediately before adjournment took exception to certain statements of Judge Barnett declaring they were reflections upon the court. Judge Barnett in a brief statement declared no reflection whatever upon the court was intended.

Evidence developed at the hearing will not be placed before the grand jury until all the testimony taken here has been transcribed and briefed. It has been stated by an associate of the attorney general that the brief cannot be prepared within less than three weeks after the work of transcribing has been completed which it is believed will require from four to six weeks.

Attorney General Coco will place before the jury only the brief and a copy of the transcript, and will have none of the witnesses on hand unless the jury requests that they be summoned. It was stated that nothing concerning the proceedings of the jury would be made public until it made its report to the court.

The attorney general has stated that none of the prospective defendants would be arrested until after the grand jury report.

Dr. B. M. McKoin former mayor of Mer Rouge and T. N. Jeff Burnett, former Morehouse deputy sheriff however, already have been charged with murder in connection with the death of Daniel and Richard and both are at liberty under \$5,000 bail.

## SEVERAL FEATURES OF NEW ARMY BILL ASSAILED BY WEEKS

### Secretary is Opposed to River and Harbor Plans

(By The Associated Press)  
WASHINGTON, Jan. 25.—Several features of the army bill as it passed the house were assailed by Secretary Weeks today before the senate sub-committee having the measure in charge. The stipulation that boys under 21 cannot enlist in the army without the written consent of their parents, was declared by the secretary to be such a blow at the recruiting service as to make it doubtful whether the army could be kept at authorized strength.

Mr. Weeks also objected vigorously to the provision which would bar Major General Harbord who recently retired to become head of a radio concern from drawing retirement pay.

Opposition to the river and harbor plans of the house was expressed by the secretary who insisted that the appropriation for such purposes should be restricted to the budget estimate.

Consolidation of army posts throughout the country in the interest of efficiency and economy was suggested to the sub-committee by Secretary Weeks, who stated that he was having a study made with that end in view.

The world war had demonstrated, he said, that it would be feasible to consider a new plan of fortification defense under which many of the present forts should be abandoned.

## PREDICTS DEATH OF CIVILIZATION NEAR

(By The Associated Press)  
CHICAGO, Jan. 25.—A prediction that the death of civilization is near at hand as a result of the European crisis was made by S. K. Ratcliffe, an English journalist today in a speech before the Chicago Club. "Unless something is done we shall witness in our life time the dissolution of the greatest civilization the world has yet known," he declared. "Within a few years a few months is being compressed the destruction which the old world saw as the work of centuries in the breaking up of the Roman empire."

## DAUGHERTY CASE DISPOSED OF IN HOUSE YESTERDAY

### Given Clean Bill of Health on Impeach- ment Charges

(By The Associated Press)  
WASHINGTON, Jan. 25.—The house by a vote of 204 to 77, approved tonight the action of its judiciary committee in giving Attorney General Daugherty a clean bill of health on the impeachment charges brought against him by Representative Keller, Republican, Minnesota.

Without a roll call and by practically an unanimous vote it adopted also a resolution discharging the committee from further consideration of the charges and laying the Keller impeachment resolution on the table. The two votes were regarded as having the effect of closing the incident.

The question of whether the house has the constitutional power to compel a member to testify before its committees was left undecided. This issue was raised in a subpoena served on him after his withdrawal from the proceedings. The committee in its report took the position that the house could punish Mr. Keller by imprisonment or otherwise until he did testify, the term of imprisonment however, not to extend beyond this session of congress but it made no recommendation on the subject nor did the house take direct action upon it. The house voted were by a majority of three hours of spirited debate, featured by attacks upon and a defense of Mr. Keller and by assaults upon Samuel Untermyer of New York, Jackson H. Ralston, of this city, who was Representative Keller's counsel and his associate John H. Vahey of Boston and Samuel Gompers, president of the American Federation of Labor.

Referring to letters written by Mr. Untermyer regarding the impeachment charges, which were made a part of the minority report filed by Representative Thomas, Democrat, Kentucky, Representative Guntz of Ohio, charged these documents had "been dragged in to besmirch the judiciary committee."

Moral Record Not Good.  
"In the first place," he declared "this man's moral record is not good. He was convicted by the court of chancery in the State of New Jersey as being the arch perpetrator of a dirty fraud that was enacted in such a way as to flick from the pockets of thousands and thousands of dollars."

"In the second place, he is convicted by the record which I will produce of having been in league with the enemies of the country, the embassy of the German empire at the very time almost that the German embassy was in New York giving out advice to American citizens not to ride on the Lusitania."

"Not only that it is shown thru the whole record that Samuel Untermyer was and is the master spring behind all these charges."

Chairman Volstead of the judiciary committee also assailed Mr. Untermyer declaring that he was interested in the prosecution of the Keller charges despite his denial that he had any connection with their preparation.

Mr. Volstead charged that Mr. Keller from the first had treated the committee in an insolent manner; that he had written the committee an "insulting and abusive letter" and that he and "his henchmen" knew from the first that they did not have the evidence to support the charges.

Representative Thomas defended Mr. Keller who is in Florida recuperating from a recent illness. He declared that the Minnesota member had shown no "insolence" but that, on the other hand members of the committee had heckled him and his counsel from the start of the public hearings.

"The committee," he went on "demanded that Keller lay his cards face up on the table before they would decide whether to come into the jacket."

## ENDORSE SETLIFFE FOR POSITION OF PROHIBITION DIRECTOR

### Send Indorsement to Sen- ators McCormick and McKinley

(By The Associated Press)  
SPRINGFIELD, Jan. 25.—Fifteen representatives today sent their indorsement of William Q. Setcliffe, of Bloomington, departmental adjutant of the American Legion to United States Senators William McKinley and Medill McCormick for state prohibition director. The representatives who compose the house military committee consists of John P. Hart, chairman; Church, Fekete, Bandy, Boshel, Turner, Green, Choiser, Gibson, Rentick, Rutshaw, Hunter, Weber, Flack, and Trandel.

This committee was one of those named by Speaker Shanahan prior to adjournment of the house until next Tuesday when the senate will also convene.

Mr. Setcliffe has been mentioned among others for the office of prohibition director and the house military committee wished its indorsement to be representative of the opinion of military persons of the state.

Upon adjournment of the house today in an informal conference it developed that some opposition will be given to the bill of Representative Homer Tice, Greenview, which would provide for the semi-annual payment of taxes, and which has been introduced. It was learned that a resolution adopted by the county clerks association of the state does not approve of the plan but suggests a plan whereby the penalty on sales taxes might be raised to 25 per cent from its present 12 per cent as a means of securing revenue.

With the house committees organized and a number of bills waiting for action next week inasmuch as the senate committees will be announced at that time, predictions of a busy session are forecast.

House members tonight before departing for their homes said they did not anticipate much of a fight on the attorney general's bill for funds to be used in prosecution of the Williamson county mine disorders of last June, while some opposition might be expected they said they believed the bill would have sufficient support but at the same time it would provide a platform for heated debate.

## TELLS WHAT WILL SOLVE PROBLEM

(By The Associated Press)  
INDIANAPOLIS, Ind., Jan. 25.—Customer and employee ownership is the foil to the unscrupulous political agitator and the solution of the development problem facing public utility companies, Edward N. Hurley, former chairman of the United States shipping board told the Indiana public utility association here tonight. The federal government's ventures into the field of public management of industrial and public enterprises "demonstrated conclusively that not more than fifty percent personal efficiency can be obtained under this system," he said.

Mr. Hurley scored the development of class interests and sectionalism.

## PERFECT DETAILS FOR TURNING OVER R. R.

MEXICO CITY, Jan. 25.—William Hopkins and W. D. Ward, representing British financial interests are reported to be on their way to Mexico from London to perfect the details of the turning over to its original owners of the Inter-Oceanic Railroad in accordance with the agreement reached by Finance Minister de la Huerta.

The Inter-Oceanic will be the first to be turned back to private ownership by the government it is semi-officially declared.

## Declines to Comment on Adjournment Plan

(By The Associated Press)  
LAUSANNE, Jan. 25.—Ismet Pasha, head of the Turkish delegation declined tonight to comment on the announced allied project to adjourn the Near Eastern conference by the end of next week whether peace was signed or not. The allies hope that publication of their plans will have sufficient psychological pressure to induce the Turks to yield on the disputed points.

## LAST CONTINGENT OF TROOPS IS NOW HOMEWARD BOUND

### Doughboys Sing Fare- well Songs as St. Mihel Starts Trip

(By The Associated Press)  
ANTWERP, Jan. 25.—Moving slowly down the river Scheldt tonight on the way home aboard the American transport St. Mihel is the last of the troops who represented the United States in the world war. The troops arrived here this morning from Coblenz bridgehead and embarked on the transport which started her voyage for Savannah this afternoon. With soldiers lining her rails the transport cast off her lines from the Siberia dock. The doughboys sang farewell songs and shouted greetings of good bye, while groups of friends ashore standing in the dim light of the early darkness waived their adieus.

Then the propellers of the St. Mihel began to churn the waters. The transport slowly moved on her way toward the flat lowlands of the Scheldt and soon was lost to view at the Royal sluice, still wending her way toward Flushing which will be reached about midnight.

From Flushing the wide sea opens the way for home and the signal bells will register the call full speed ahead.

The formal ceremony of departure took place at 4:40 o'clock when a company of the 26th Belgian infantry with its band lined up alongside the St. Mihel. The band played "The Belgian and American anthems."

Minister of War Devez, accompanied by General Jacques, boarded the transport where they were received by the captain of the St. Mihel, W. T. Oliver; Col. Walter T. Bates of the 8th infantry, and the American Consul George S. Messersmith.

Appropriate speeches were exchanged in the main cabin of the vessel. In his address, Mr. Devez expressed Belgium's devotion to the United States. Among the many tokens of affection presented the departing soldiers was a most modest one from an unknown woman. Timidly she left a bouquet of flowers in the bridge cabin of Captain Oliver. It was not in her own name she said, but on behalf of the humble people of Belgium who never could forget the aid the Americans had rendered during the war time needs.

Wives Center of Interest.  
The center of interest to those on board ship was the wives and children of soldiers who had exchanged their constitutional right to marry. Gathered on the deck of the St. Mihel they formed an attractive group, many of the women were unusually comely.

One couple reached the ship only after some tribulations. Private Ralph Bailey of Maine married a girl just before the troop train left Coblenz. His bride decided that she did not desire to proceed to the United States immediately. Bailey gave her the marriage book, signed by Chaplain Eastbrook, and bade her farewell and went to board the train.

Within a half hour there was a hurried call to hold the train, for Bailey's wife had changed her mind and decided to make the voyage. Tonight she is one of the party on board the St. Mihel.

## BETHLEHEM DECLARES REGULAR DIVIDEND

ST. LOUIS, Mo., Jan. 25.—Directors of the Bethlehem Steel corporation today declared the regular preferred stock dividend for the year 1923, payable in quarterly installments. They also declared the regular quarterly dividend of 1-4 per cent on both classes of common stock.

## chance of reaching an accord. Both the French and Italians are striving desperately to save the conference.

The French have made many concessions in financial and economic affairs which affect them more than the others. The Italians have worked out a more conciliatory formula for judicial guarantees for foreigners, which they think the Turks will accept. There is great nervousness, and some depression, however, in conference circles generally.

The British announced tonight that all discussion before the commission will end Saturday night. The allied draft treaty will be presented to the Turks Wednesday the intervening time being devoted to the completion of the draft.

The Turks again insisted today at the conference session that the British character in Gallipoli must be reduced in size. This was the last meeting to discuss this subject. A British spokesman said later:

"The Turkish attitude on this question is monstrous."

IMPERIAL WIZARD  
IS INVESTIGATING

CHICAGO, Jan. 25.—Imperial Wizard Hiram Wesley Evans, who with other Imperial officers of the Invisible Empire, Knights of the Ku Klux Klan arrived here today to investigate reported action by the city council against Klansmen of the city, declared tonight that the Klan had discarded its policy of indifference to attacks and in the future will vigorously defend the Klan or any of its members against unwarranted attacks or discrimination.

Action in the case of reports from Chicago that firemen and others on city payrolls were discharged because of their affiliation with the Klan will depend on how true he finds these reports to be, the Imperial wizard announced.

No comment on the Mer Rouge, La., investigation would be made, he said, until he had time to analyze the statements of state officials of Louisiana carried in press dispatches during the day. Klan officials had remained away from Mer Rouge, he said, because they did not wish to hamper the investigation in any way. The Klan's side of the case, he said, will be stated tomorrow.

"We will thru the entire weight of our membership stand behind any Klansman regardless of who he is if he is denied the ordinary rights of citizenship," he declared. "The same power will be used in behalf of a man who is not a Klansman but who suffers because he is believed to be a member of the Klan."

"The vicious, unfounded reports involving the Klan as an organization in the activities of the Klan deplores equally as much as every law abiding citizen, can and will not be suffered by the national organization as a reason for discrediting any honest public servants who, perchance, might be Klansmen."

CHAPIN LADIES AID  
IN REGULAR SESSION

M. P. Church Ladies Aid Met Thursday at Home of Mrs. Frank Kellogg — Other Items From Chapin.

Chapin, Jan. 25.—The Ladies' Aid society of the M. P. church held their regular meeting at the home of Mrs. Frank Kellogg Thursday afternoon. Three new members were enrolled. An interesting discussion on Current Events was led by Mrs. Charles Thomason. Work was begun on a quilt and Monday, Jan. 29th, was set to quilt two quilts recently finished. An all day meeting will be held at the church on that date and a large attendance is urged in order that the two quilts may be finished. Dainty refreshments were served by the hostess.

Mr. and Mrs. Andrew Allen attended a family dinner Thursday at the home of Mrs. Allen's niece, Mrs. Carrie Beau, near Winchester.

Word has been received by relatives that Mrs. Sarah Helser, who has been suffering with pneumonia is much improved and will be able to return to her home next week.

Mr. Gregory representing the Claus Motor company, agents for the Chevrolet, was a business visitor here Thursday.

NORMAL WILL PLAY  
HERE IN AFTERNOON

Will Meet Illinois College in David Prince Gymnasium at 4 o'clock—Normal Has Strong Team This Year.

Basketball fans who are unable to attend night games have a treat in store for them when Normal University comes to play Illinois College on the local floor at 4 o'clock Saturday afternoon.

This game, originally scheduled by Coach Harmon for Saturday night, came into conflict with the High School-Rushville High game which had already been scheduled for Saturday night. Normal could not come on Friday night so the conflict was solved by playing an afternoon game.

Normal has a good team which has been playing ball of championship calibre.

Bradley College has a record of six straight wins in the conference. Two of these victories have been desperate games with Normal. On the Bradley floor it took an extra period of play to subdue the Normal team.

Last Tuesday night Normal lost a heart-breaking game to Bradley at Normal by a score of 22 to 20. The Teachers led by one point with one and one-half minutes to play, but were nosed out in that short time by the fast stepping Bradley team.

All of which means that Capt. Mellon and his other Illinois tossers will have a real battle on their hands Saturday afternoon.

KIWANIS CLUB HEARD  
A FINE PROGRAM

Hon. T. E. Lyons of Springfield Made Address and Musicians Gave Fine Numbers at Thursday Luncheon.

The Kiwanis club luncheon held Thursday at the Peacock Inn was an interesting affair. The program of the day included some excellent numbers by members of the Illinois Woman's college faculty and the "Clew's Orchestra" and an address by Hon. T. E. Lyons of Springfield.

Attendance prizes for the day were awarded to J. W. Elliott and B. F. Shafer, and it was announced that Warfield Brown will have charge of next week's program.

Dr. W. P. Duncan was the chairman of the day's program and introduced Misses Horsburgh and Sapio of the Woman's college, the former giving two violin numbers and the latter a piano selection.

Mr. Lyons, former representative from this district, was then introduced by the chairman and gave an interesting account of the manufacture and use of stucco construction work.

Among the guests of the day were W. M. Gish, J. P. Loveless, Rev. W. R. Johnson and Dr. Walter Dace, all of Winchester; Robert Lyons of Springfield, C. N. Wright, Frank Dopp of Binghamton, N. Y.; L. L. Burdick of Cleveland, Ohio, district manager of the Willard Battery Co.

PACKER MERGER  
NOT MONOPOLISTIC

(By The Associated Press)

WICHITA, Kan., Jan. 25.—Merger of the Morris Packing company with Armour & Co., should not be construed as monopolistic, viewed impartially, F. Edson White, president of Armour & Co., said here today in addressing the Kansas National Livestock association.

White said that such a combination would mean a greater supply capacity and a cheaper commodity for consumers. He pointed out that "the big five" packers handle only a small part of the entire output of dressed meat and that a merger of two or more companies would not stifle competition.

HABEAS CORPUS  
IS DISMISSED

(By The Associated Press)

MINNEAPOLIS, Minn., Jan. 25.—The writ of habeas corpus proceedings brought by counsel for Alexis Georgian to prevent his delivery to Michigan authorities on a fugitive warrant were dismissed by Judge W. W. Bardwell, in district court here today.

Notice of appeal to the state supreme court was filed. Berien county, Michigan authorities then sought to take Georgian into custody but counsel for the latter objected pending outcome of the appeal. Georgian then was brought into municipal court on the fugitive warrant and a hearing was set for February 1.

Georgian is wanted in Michigan in connection with alleged radical meetings held there.

WINCHESTER FUNERAL  
WAS LARGELY ATTENDED

Remain of the Late Henry Kuehl Laid to Rest After Impressive Funeral Services — Other Winchester News.

Winchester Jan. 25.—The funeral of the late Henry Kuehl was held from the Baptist church Wednesday afternoon, Rev. Carl Corrie officiating. The minister read a scripture lesson and an obituary sketch, later delivering a very impressive funeral discourse.

Members of the Spanish-American War Veterans post of Springfield attended the services in a body. The flowers were cared for by Mrs. Fritz Haskell, Mrs. Ray Nelson and Misses Dovie Haskell and Catherine Lyons.

Interment was made in the Winchester cemetery, the bearers being Fritz Haskell, A. J. Ezard, Guy Paul, John E. Coultas, and Nathan Hamilton.

The services at the cemetery were in charge of the of Lincoln camp, No. 64, the firing squad including R. R. Ritchie, Noble Baumann, Winnie Wilgorth, H. E. Hall, Eli Lankford and H. C. Strode. John C. Adkins, a Spanish-American war veteran from Bluffs, was among those in attendance at the funeral. During the service at the church the flag above the court house was draped at half mast in honor of the deceased, who for many years was a valued employee of the county.

PROGRESSIVE LUNCHEON

Several young women of the Baptist church gave a progressive luncheon Thursday evening at 6 o'clock, the proceeds of which will go toward the church treasury. A very attractive menu was served and the luncheon was largely attended. The first course was served at the home of Miss Louise Frost and included tomato bouillon, crackers and pickles. The second course was served at the home of Miss Margaret Watt and was made up of chicken pie, mashed potatoes, gravy, perfection salad, jelly, bread and butter sandwiches. The third course consisted of ice, angel food cake and coffee and was served at the home of Mrs. Sybil Fox.

The dining room in each of the homes were attractively decorated for the occasion and the serving was faultlessly done.

## WHITE HALL TO EMPLOY A COMMUNITY NURSE

Movement Takes Definite Form at Meeting of Parent-Teacher Association Thursday Evening—Dr. R. V. Brokaw of This City One of Speakers

At a meeting held last night at the White Hall high school definite steps were taken for the securing of a community nurse in White Hall and the plan is to be carried to an early consummation. The meeting was held under the auspices of the White Hall Parent-Teacher Association and was largely attended. The latest shown at the meeting last night left no doubt as to the wisdom of carrying out the plan which is being fostered by the Parent-Teacher Association.

T. M. English is president of the association and presided at last night's meeting. Dr. R. V. Brokaw, health officer of Morgan county, was the first speaker and discussed the importance of the work of the community and school nurse.

A committee, a Red Cross worker from the central division offices in Chicago, was another speaker. She told something of what is being accomplished by the Red Cross in the betterment of health in various communities.

At the close of the latter address came an informal discussion of the whole matter of a community nurse, and before adjournment came definite steps were taken for the employing of such a nurse.

A committee was appointed to interview the city council, school board, and other organizations and secure their co-operation in the project. This committee includes Rev. L. E. Allison and Rev. J. O. Kirkpatrick, the third member to be named by the president of the Parent-Teacher association. It is very probable that a school and community nurse will be employed for the balance of the school year.

In his remarks Dr. Brokaw stressed the importance of school hygiene in the conservation of health, and the value of nursing service in the control of communicable diseases among school children. By such service is made possible the early discovery and prompt exclusion of pupils presenting suspicious symptoms.

Dr. Brokaw also pointed out the importance of routine inspection of school children for the discovery of physical defects, such as poor vision, diseased tonsils and adenoids, defective hearing and decayed teeth. All of these defects in the child have a very important relation to the physical condition of the adult and have a direct bearing upon the efficiency and well being of the adult.

He emphasized the importance of persistent follow up work by the nurse in the homes, as a means of getting the defects corrected. Public health officials, he said, recognize the fact that work among school children pays the biggest dividends.

## ROUTT HIGH AND I. S. D. MEET TONIGHT

The only basketball game in the city tonight is that between Routt high and Illinois School for the Deaf which will be played in Liberty hall.

Both teams have been working hard for this contest and there is lots of friendly rivalry between the schools. In the game played a few weeks ago Routt won by a one point.

Couch Burns men will fight hard to make it a tie tonight while Routt will fight just as hard to make it two straight.

The game will start at 8 o'clock and no doubt a large crowd will be present. Fans who attend may rest assured of a good fast game.

## GO MOTOR TO GAME.

A party of about sixteen high school students are motoring to White Hall to attend the White Hall-Jacksonville game there tonight, making the trip in a truck belonging to the LaCrosse Lumber Co., and driven by Marion Parker.

## HERE FOR VISIT.

## "Let's Not Buy Another Thing Till We Put the Fences Right"

THE far-sighted farmer will say that when temptations arise to let the ready money go for some luxury. The luxury is an expense; the good fence is an investment—a producer. A farmer is losing money fast until he has his farm fenced off into a sufficient number of fields to permit of the proper rotation of crops and the most advantageous pasturing of stock.

The fields of a farm are like the rooms in a hotel—the more rooms or fields, the more revenue.

AMERICAN FENCE Made of Hard, Stiff Wire of Highest Quality

Is an investment that brings the most returns for the money paid out. It is made of a quality of wire drawn expressly for woven-wire-fence purposes by the largest manufacturers of wire in the world. Galvanized by latest improved processes, the best that the skill and experience of years has taught. Built on the elastic hinged joint (patented) principle, which effectually protects the stay or upright wires from breaking under hard usage.

## TAKE AN Emulsion TO BUILD YOU UP

After the "flu," after hard colds, or to build up any run-down system, there is nothing sold in the world of medicines equal to a good, strong building, tissue restoring, health renewing Nyal Emulsion of Cod Liver Oil. There are other things in it besides Cod Liver Oil. The whole combination has pronounced value in the purposes indicated. It is tasty, too, and not hard to take. As a reconstructive and a builder for old or young it is unequalled. It comes in liberal bottles at a price that means liberal saving.

## Our Pearl Story Concluded

The natural enemies of the pearl oyster causing "widespread death" are shifting sands, voracious fishes, the boring shellfish and the smothering mollusc. A storm arises and buries an immense colony of pearl oysters under several inches of sand; killing them. These various natural enemies, coupled with the greed of man, frequently

cause ten or more years to pass when oyster fishing is forbidden by government edict to allow growth.

It will be seen, therefore, that never will pearls become "common." They have been a "rare gem" since earliest history and, according to Dame Nature's dictates, must so continue.

## Tax Extension Work Has Been Completed

County Clerk Riggs Turns Over Books to Sheriff and Collector T. O. Wright—Some Comparative Figures.

The Morgan county tax books were yesterday afternoon turned over to the sheriff and tax collector by County Clerk C. L. Riggs. The work of tax extension has occupied the attention of Mr. Riggs and his assistants for some time and the work has been pushed along as rapidly as possible. The huge task was completed yesterday and the books turned over to the collector as indicated.

A comparison with the figures of last year shows that the total property valuation for state purposes is less this year by \$2,330,475. The total property valuation for state purposes in 1921 was \$28,179,185, while the 1922 total is \$25,848,710.

The total state tax this year is \$116,372.62, by comparison with \$126,840.33 last year. Both the state and the county tax rate this year is the same as last year.

The Jacksonville municipal tax this year will yield \$85,274.65, by comparison with \$88,003.26 last year. This year's school tax will total \$176,295.63, while the 1921 total was \$181,928.36.

The South Jacksonville taxes show an increase of about \$540, the 1922 figure being \$4,944 by comparison with \$4,405 in 1921. The total road district tax, the county in 1922 is \$146,290, the previous year's total being \$149,479.

The non-high school district tax is considerably higher for 1922 than for the previous year, as the rate was increased from 10c to 25c. The 1922 tax extension is \$27,484, while 1921 was \$11,258.

The total of revenue from the 1922 taxes is \$1,052,329.65, by comparison with \$1,090,185.02, the 1921 total tax figure.

Below are given detailed figures showing various tax totals in Jacksonville and the different towns of the county. The road district taxes are also shown:

WILL REPEAT PLAY  
AT MURRAYVILLE

"Arizona Cowboy" was presented by the Murrayville Rebekah lodge at Carlson's hall last night and was witnessed by an audience which taxed the capacity of the house. The performance was one of the best ever given in Murrayville, all the parts being taken with special ability. The demand for tickets was such that it was decided to repeat the play and the second performance will be given tonight at Carlson's hall.

The proceeds of the play will be used for the purchase of paraphernalia to replace that which was destroyed by fire a number of months ago.

## THIEVES RAID FARM NEAR NORTONVILLE

Robbers made a considerable haul recently at the farm of Harlan Wilcox near Nortonville. They visited the place at night, while the owner was in Jacksonville, and made off with about twenty bushels of clover seed from the barn and a large quantity of meat and lard from the smoke house.

The thieves came and went in a truck and the tracks of the machine led toward Murrayville. The county sheriff's office has been notified and are on the lookout for the thieves.

## CONTRACT IS LET FOR BUILDING ON SQUARE

Dr. David Strawn and Gates Strawn Award Contract to Joseph DeGoveia for Rebuilding of Strawn's Hall.

It was announced yesterday that the contract had been awarded by Dr. David S. Strawn and Gates Strawn to the rebuilding of Strawn's hall on the south side of the public square, which was destroyed by fire several weeks since. Joseph DeGoveia has the contract for the new structure and work has already been commenced.

The new building is to be two stories in height. There will be three store rooms on the ground floor, while the upper floor will be one large room. The plan of the new building is quite similar to that of the one which was destroyed by fire, but there will be no smaller rooms at the rear of the upper floor as was the case in the older building.

The task of clearing away the debris will require considerable time, but a force of men is already at work there and the actual work of construction will begin at a very early date. The contract calls for completion of the building within ninety days.

## WELL KNOWN COUPLE WILL WED TONIGHT

Paul Jones and Miss Rose Eoff to Be United in Marriage This Evening.

The marriage of Paul Jones and Miss Rose Eoff, both of this city, will be solemnized this evening at the home of the groom's mother, Mrs. W. S. Jones, on Mound avenue. The ceremony will be performed by Rev. Thomas Smith, pastor of Westminster church and will be witnessed by a limited number of relatives and friends of the young people.

The bride-to-be is a daughter of Mr. and Mrs. Albert Eoff and has been a resident of this city for a number of years. She has for some time held a position in the Floreth west side dry goods store and is a young woman of charming manner.

Mr. Jones, as indicated, is a son of Mrs. W. S. Jones and has spent practically all of his life in this community. He has for some time past been engaged in farming operations and it is understood that he and his bride are soon to take up their residence on a farm not far distant from the city.

The many friends of the young couple will extend hearty congratulations and unite in the hope that their wedded life will be a happy one.

## "THE FAR EAST" WILL BE GIVEN FEBRUARY 13

Japanese Entertainment to be Given Under Auspices of Local D. A. R.

"The Far East" the fantastic and delightful Japanese entertainment to be given at the high school auditorium on February 13, under the auspices of the Rev. James Caldwell Chapter of the D. A. R., promises to be one of the most attractive dramatic events of the season in Jacksonville. The art of Mr. and Mrs. Ongawa, the Japanese players who appear in the entertainment, has won favorable comment in the many American cities which they have visited on their tour.

The program which they will present in Jacksonville is in two parts. The first part is devoted to music, interpretative dancing, and a group of Japanese folk stories. "The Fox Woman," a one act Japanese play to be given in English, constitutes the second part of the program. The following comment about these Japanese artists, recently appeared in the Drama, the official organ of the Drama League of America: "Mr. Ongawa is perhaps most interesting in the dances. His sword dance reminds one in its every posture of the fine Japanese prints and bronze one has seen; while in the Comic Dance, the grotesquerie for which his countrymen are so noted, (has full play).

"Mrs. Ongawa tells stories from the folk lore of Japan; sings love songs to the moon, accompanying herself on the moon fiddle, the gekkin or the samisen; expounds the fashion of Japan, looking the while like an animated rainbow; or dances the ancient dances of Japan with such grace that one has a new understanding of Madam Butterfly. It seems too crude to tell you that she does it with the flowing lines of her sun shot kimono, her slender swaying beautifully poised body, her facile play of facial expression, and her truly marvelous hands. Never before have I seen anything like her hands.

"From those pink palms and fingers a thousand moths fluttered a fish swam the seas and flapped his tail, a monkey swung by his tail from branch to branch, or a woman pleaded for love. George Bernard Shaw need not pretend that he was the first to put the idea that women, as in Man and Superman, simply nabs the man she wants whenever and however she pleases. He must have seen Mrs. Ongawa in her Comic Dance of Rustic Lovemaking, an ancient dance of our oriental neighbors."

Miss Mary Ray is confined to her home south of the city by illness.

## BOOZE MENTIONED IN MILLER TRIAL

Illicit dealing in liquor is believed to have had its part in the recent quarrel between Jacob and James Miller of this city, which resulted Thursday in the trial of the former on a charge of threatening to kill Mrs. Mary Miller, wife of James Miller, with a spade. States Attorney Robinson asked the defendant whether his brother owed him for whisky, and the latter strenuously denied the transaction. As no proof was brought forth of the threat complained of in the warrant, Miller was released. The state's attorney warned him to leave the county.

The trial was held Thursday morning before Justice A. B. Opperman. States Attorney Robinson acting as counsel for the plaintiff and Judge M. T. Layman for the defendant.

## REAL ESTATE BOARD IN ANNUAL MEETING

Decide to Use Multiple Listing System Here—New Officers Are Elected at Session Thursday Evening.

The annual meeting of the Jacksonville Real Estate Board was held last night in the office of Smith & Naylor in the basement of the Farrell bank building. Twelve of the sixteen members of the board were present. Plans for the coming year were discussed and it was decided to arrange for the use of a multiple listing system in this city. This system is in use with success in towns of 15,000 and over thruout the United States. It enables the real estate men to list property more efficiently and puts them in position to give their customers better and quicker service.

New officers of the board for the coming year were elected as follows:

## WHITE HALL TO SEE BUSINESS CHANGES

Wright Brothers Have New Location for Implement Business—Two Well Known Residents Called By Death.

White Hall, Jan. 24.—A number of Main street business changes came in announcements with the beginning of the week of business. The leading deal is the leasing of the Bridgewater building by Wright Brothers for the occupancy of their agricultural implement, stove and hardware business that will be moved to these quarters at once from the rink building on East Sherman street. Frank Bridgewater in turn purchased the pool room business of George Staples in the Grange block, and the two pool and billiard halls have been consolidated. Henry Steckel has purchased the Oswald business buildings, now occupied by himself and the Webster Variety store and Mr Steckel receives with an air of enjoyment the many stories that have arisen concerning extensions and enlargement of his young fruit and grocery store to the proportions of a Piggly Wiggly or department store that will force the Webster business to seek other quarters.

It is stated that there is no intention on the part of Mr Steckel to disturb the Webster enterprise except possibly the desire to use the middle room for the Steckel business, in which event Mr Webster declares he will have to secure larger quarters. One of the speculations is that Mr Steckel will build to the west, as he acquires an excellent tract of ground in the Oswald purchase. A new meat market under the direction of D. Ozbun was opened in connection with the G. A. Halbert grocery Monday morning.

The death of Mrs. Richard Vermillion occurred at 10:55 o'clock p. m. Monday in her home on West Franklin street. She had been in poor health for a long time, but only less than 24 hours before her death she was taken dangerously ill with heart trouble. Her age was 59 years, and she was a native of Rushville, daughter of the late Henry Graves, of the Schuyler county hospital. She and Richard Vermillion were married May 25, 1887, and they have since resided in White Hall. Their only child is Stanley Vermillion of White Hall. The deceased was a member of the Presbyterian church. Funeral services will be conducted by Rev. Lee A. Hanchett, pastor of the Presbyterian church, in the home at 2:30 p. m. Thursday and the burial will be in the White Hall cemetery. Mrs. Pearl Bradley, a sister and the only survivor of the Graves family, arrived from Rushville prior to Mrs. Vermillion's death.

One of the well known citizens of White Hall was William Stevenson, and his death at 9:35 p. m. Monday removes a man who has erected a number of the best residences in White Hall. Mr Stevenson had been ill for two years with a heart affection and the end was not unexpected, it occurring in his home on North Main street. Funeral services were conducted in the home at ten o'clock Wednesday, and the remains were then taken by train to Merritt, Scott county, for interment with the honors of the M. W. A. camp. The discourse was delivered by Rev. J. O. Kirkpatrick, pastor of the White Hall M. E. church.

Mr. Stevenson was a native of Newark, New Jersey, born December 29, 1845, and came to Illinois when a boy and locating at Exeter, Scott county. There he and Miss Sue Whiteledge were married December 23, 1875, when they were located at Merritt in that county until coming to White Hall in 1905. The widow and two daughters survive, the latter being Mrs. Charles Campbell of White Hall and Mrs. William Wood of Jefferson City, Mo.

Henry Struby and Mr. and Mrs. Joseph Redshaw were Merritt people who transacted business in the city Thursday.

## THE GREENWICH VILLAGE FOLLIES

See that fanciful and exotic spectacle, the Greenwich Village Follies, Grand Theatre, Monday, Jan. 29. This is the second annual edition of the "Follies". All of last season it disported at the Greenwich Village and Shubert theaters in New York. The first of these annuals produced by the Bohemians, Inc. was seen in this part of the country one year ago, and the current "Follies" is reputed to surpass its predecessor in its comic and melodic phases, in its scenic investiture, in its fleetness and in its pictorial beauty.

The Greenwich Village Follies is devised and staged by John Murray Anderson, a young man who stands for about everything that is novel and aesthetic on the girl-and-music stage. There is a genuine artistry in Anderson's staging that is seldom met with in the contemporary theater. The "Follies" never falls into the dull rut of professional routine. It never gives you what you expect; rather it surprises you. Anderson has a flair for the bizarre that puts his shows in a class by themselves. Nothing finer than the fantastic "Hell-Hole" scene, the

## YOU CAN'T KID YOUR KIDNEYS

You may urge them on by stimulants to do their work for a while, but they will soon begin to show their weakness and the body will suffer.

The cause of most all kidney disorders is due to pressure on the nerves supplying them at the point where they leave the spine. Because of this, the kidneys cannot get enough life energy to make them strong.

## Chiropractic Adjustments

remove this pressure and nature makes the kidneys strong. Bring all your health troubles to

#### Some Pioneer History

FROM MANUSCRIPTS OF FRANK J. HEINL  
In compiling this story of a century ago errors may have crept in and important facts may have been omitted. Suggestions and corrections will be acceptable.

Morgan county, Illinois, became a county on January 31, 1823, when the following act of the Illinois legislature was approved:

"MORGAN COUNTY  
"An Act to form a new county out of the attached part of Greene county, north of town twelve.

"Approved, January 31, 1823.  
"Sec. 1. Be it enacted by the people of the State of Illinois, represented in the General Assembly, that all that tract of country within the following boundaries, to-wit: Beginning at the northwest corner of Greene county, thence east to the range line between seven and eight west of the third principal meridian, thence northerly along the middle of the prairie that divides the waters of the Sangamon from those of Apple creek, Mauvalsterre and Indian creeks, until it arrives to the middle of range eight, thence north to the middle of the main channel of Sangamon river, thence down said channel to the middle of the main channel of the Illinois river, thence down said last mentioned channel to the place of beginning, shall constitute a county to be called Morgan.

"Sec. 2. Be it further enacted, that the electors of said county shall meet on the first Monday of March next, at the house of James G. Swinerton, to elect three county commissioners, a sheriff and a coroner; and that Joseph Klein, John Clark and Daniel Lieb, be, and they are hereby appointed the judges of said election, who shall give notice thereof, and proceed on that day to conduct the same according to the existing laws of this state, or such as may then be in force relative to the election for county officers.

"Sec. 3. Be it further enacted, that Samuel Bristow, John Clark and Henry Fahnestock, be commissioners to fix on a place for the temporary seat of justice for said county, whose duty it shall be to meet at the time and place for holding the election for county commissioners, or within ten

days thereafter; and, after being duly sworn, shall proceed to determine on some convenient place as near the center of population as circumstances will admit; and such place when so located, shall be the seat of justice until otherwise provided by law; and said commissioners shall be allowed two dollars each per day, for the time necessarily employed, to be paid out of the county treasury.

"Sec. 4. Be it further enacted, that the citizens of Morgan county are hereby declared entitled in all respects to the same rights and privileges as are allowed in general to other counties in this state; provided always, that when freeholders only are capable of performing any duty, or are entitled to any privilege, householders shall, for all such purposes, be considered as freeholders in said county, and shall and may do and perform all the duties appertaining to the different offices in said county.

"Sec. 5. Be it further enacted, that the county of Morgan shall compose a part of the first judicial circuit in this state.

"Sec. 6. Be it further enacted, that Morgan county shall compose a part of the senatorial and representative district with Greene county."

The act creating the county fixed the time of holding the first election in the county as the first Monday of the ensuing March. By an act approved February 17, 1823, the day for holding the election was changed from the first to the third Monday in March.

Morgan county as created by the above act composed in its limits all the territory of the present counties of Cass, Morgan and Scott.

**Market Report**

Associated  
Press

**WHEAT AVERAGED LOWER IN PRICE**

CHICAGO, Jan. 25.—Wheat  
averaged lower in price today owing  
more or less to current predictions  
that proposed foreign credit  
legislation would fail of enact-  
ment. The market closed unset-  
tled at the same as yesterday's  
finish to the decline with May  
\$1.17 to \$1.17 1/2 and July \$1.11 1/2  
to \$1.12. Corn gained 1/4 to 3/4  
and oats lost a shade to 3/4. In  
provisions the outcome was a set-  
back of 7 to 15c.

Selling on the part of yester-  
day's buyers had much to do with  
giving a downward slant to the  
wheat market right at the outset.  
Furthermore aside from talk  
that the senate would adjourn  
March 4 without having passed  
the foreign credit bill reported  
out yesterday from the agricul-  
tural committee the selling price  
had an advantage as a result to  
comparative weakness of Liver-  
pool quotations and because of  
apparent growing strain between  
France and Germany and else-  
where in Europe.

In addition Argentine and Ca-  
nadian wheat afloat was reported  
being pressed for sale at conces-  
sionary prices.

A rally which took place in  
wheat values about noon proved  
to be only transient and was as-  
cribed to buying of half a million  
bushels for a house with eastern  
connections. With this buying  
ended, the market again sagged,  
despite reports of continued  
drought in western Kansas and  
Western Oklahoma. On the whole  
trade lacked volume and the mar-  
ket was easily influenced.

News of damage to the Argen-  
tine corn crop gave firmness to  
the corn market here but oats fol-  
lowed wheat. The conditions in  
Argentina were said to be in some  
degree similar to those of 1916  
when half of the Argentine corn  
crop was rendered worthless.

Provisions were weakened by a  
break in the value of hogs.

**QUIET DAY IN CASH MARKET**

CHICAGO, Jan. 25.—Wheat in  
the cash market was quiet today  
with premiums and discounts  
nominally unchanged on winter  
and spring wheat grades. Cash  
sales were only 15,000 bushels.

Premiums for hard wheat at  
the Gulf were reduced 3/4 and a  
little business was worked for  
the first half of February ship-  
ment at 7 1/2c over Chicago May.  
Cash corn was 1/4c better. Trad-  
ing basis was unchanged to 3/4c  
easier. Cash sales here only 30,000  
bushels.

Oats finished unchanged in  
price and unchanged to 7/8c better  
on basis. Cash sales were 45,000  
bushels.

FARMER ERECTS HOTEL  
FOR HOGS  
Elgin, Ill.—Charles A. Fevrie  
hot and cold hunning water,  
southern exposure and sky-lights  
for sleeping porches has been  
erected on his farm by James  
Dorsey residing near here. The  
structure is said to be a radical  
departure from anything of a like  
character in this section of the  
state. It was built to accommodate  
500 pigs.

The building is of three stories  
and the apartments for the brood  
sows are built of steel. In them  
each sow may take care of her  
own family without disturbance  
from outside. The dining room  
is on the lower floor. It is equip-  
ped with steel troughs, which may  
be easily flushed out. The south  
side of the building is composed  
of a principally of glass to give the  
animals plenty of sun. Forty acres  
surrounding the house are to be  
planted in alfalfa to guarantee  
plenty of provender for the  
animals.

SPECIAL SERVICE AT WAVERLY CHURCH

Women to Be in Charge of Service Next Sunday Evening at First M. E. Church.

Waverly, Jan. 25.—There will be an interesting service at the First M. E. church next Sunday evening. The women of the church will have charge of the entire service. There will be lady ushers, and the pastor will preside.

There are to be 150 women in the choir. There will also be a young ladies chorus and a ladies

quartet, also the youngest ladies quartet in the city will sing.

Miss Hester Andrews will give reading and another reading will be given by the youngest lady reader in the community. Mrs. J. T. Doris, Mrs. Paul Allen, Mrs. Henry Miner and Mrs. M. J. Black will make short talks. A capacity house is expected. All women and girls are invited to take part by occupying reserved seats and singing in the large choir.

Byron McNeely of Scottville was listed among business callers in Jacksonville yesterday.

Mrs. T. U. Fox was a city visitor from Sinclair Thursday.

NUMBER THIRTEEN REBEKAH ROLL CALL

Will Be Held in Odd Fellows Temple This Evening—Interesting Program Has Been Prepared.

The members of Jacksonville Rebekah Lodge No. 13 will hold their annual roll call this evening in I. O. O. F. Temple East State street. A large number of Rebekahs and their families are expected and plans have been made for the event to be one of the most enjoyable of the season.

The evening will open with the annual roll call to which all the members of the lodge will either answer in person or by sending greetings. The following program of music and readings will be given by the students from Illinois Woman's College:

Piano: Waltz in E Minor by Chopin—Miss Marie Luke.

Reading—"The Little God and Dicky", by J. D. Daskam—Miss Frances Brown.

Violin—Oriental by Cui; Viennese Waltz by Kreisler—Miss Christine Cotner.

Piano—Liebestraum by Liszt—Miss Marie Luke.

Violin—Minuet by Hochstein; Mazurka by Wieniawski—Miss Christine Cotner.

Reading—"The Imp and the Author"—Miss Frances Brown.

In addition to the above numbers Mr. Clarence Ratliffe one of the city's best known vocalists will also appear on the program.

At the conclusion of the program there will be an enjoyable social hour and a most delightful time is anticipated for all who are present. Excellent refreshments, to be served during the social time, are a feature of the evening. Mrs. George Siegfried is the chairman of the social committee and she is assisted by Mrs. Asa Robinson, Mr. and Mrs. David Shadid and others. The committee in charge of the program for the affair includes Mrs. George W. Davis, Mrs. E. A. O'Connell and Miss Verna Butcher.

ARE YOU FAT? JUST TRY THIS

Thousands of overweight people have become slim by following the advice of doctors who recommend Marmola Prescription Tablets, those harmless little fat reducers that simplify the dose of the famous Marmola Prescription. If too fat, don't wait—go now to your druggist and for one dollar, which is the price the world over, procure a case of these tablets. If preferable you can secure them direct by sending price to the Marmola Co., 4612 Woodward Avenue Detroit, Mich. They reduce steadily and easily without tire-some exercise or starvation diet and leave no unpleasant effect.—Adv.

Mr. and Mrs. E. C. Bingham came to Jacksonville on business yesterday from Sinclair.

Two car loads just in J. & L. famous fence; price the lowest, quality considered. No better fence made at any price.
